It is recognised as the most popular place to experience Turkish cuisine in Cheam and it's surrounding areas like Sutton, Belmont, Morden and Worcester Park.

The menu is noted for its variety and tastiness and includes a wide range of Turkish delights like Kebabs and Mezes. We also have a wide selection of steaks, fish dishes, guvetch dishes, vegetarian dishes, chef's special (mousakka, kleftiko.)

The owner has some 30 years experience in the restaurant and catering industry. He bases his restaurants success on the great team he has working for him at the restaurant.
